

Directory Listing Placement

Your 3 line Grass Genetics Plus LLC directory listing is easy to place. And your \$55 ad is working for you 24/7 for a full 365 days! You won't get better exposure for your advertising dollar in any print medium. (We all know where magazines end up!)

Breeders of cattle developed for grassfed beef production, use the special Breeders section on the form below. Be sure and use your preferred method of contact. This can even be your URL - we'll link directly to your site!

If you are a buyer of cattle for grass finishing, take advantage of our Buyer's Page by adding your listing. Information includes Company/Individual Name, Contact via, and brief description of your needs. Just fill out the appropriate Buyer's section below. Supply your URL in the 'Contact Via' space, and we'll link directly to your site!

Print this page, fill in the appropriate information, and return with payment to:
